Music Scholarship at Community Foundation was discussed. This can only happen if funds go well.

Paul Morrell will be setting up at this concert selling roasted corn and donating all proceeds to the Food Pantry.

CERT will also be at this concert.

In Sharpe's absence Asbury handed out a Frisbee Golf request for everyone to take a look at.

Asbury reported someone stole one of the benches the Eagle Scout built for us and moved it back in the woods. It has been decided these benches will be moved into the restrooms and only taken out during concerts. The Eagle Scout worked hard and spent his own money on these benches and we don't want them destroyed or stolen.

Pavey will send an email to all and set a date to pick bands for next year. Who ever wants to attend may do so. We need to get bios or CD's of local bands to open.

There being no further business, meeting adjourned.

Respectfully submitted:

Teresa Asbury, Acting Secretary  
Executive Amphitheater Board
